OUR MISSION IN MOTION

Family YMCA of Greater Augusta
2019 Annual Report

Our mission is at the forefront of everything we do. It unites us and serves as our foundation for why we are here. Together, we put our mission in motion to empower young people, improve health and well-being, as well as provide support and inspire action in our communities.

The YMCA of Greater Augusta has been committed to serving individuals and families in the CSRA for more than 160 years. Nearly 50,000 members have joined our cause and support our mission. We join together because we have a shared vision to strengthen our community.

The Y is unique because we can adapt to fill needs in our community. We learned that children were drowning in our neighborhood, so we began the Safety Around Water program to teach water survival skills; we learned that children in the CSRA were sleeping on the floor, so we began A Place to Dream to give beds to those in need; we learned that children were going hungry when school ended for the summer, so we partnered with Feeding American for the Summer Food Program to provide meals during the summer. It's this adaptability that keeps our mission moving.

We like to think that we are more than a gym. We are an organization that can be counted on when our community needs us. We provide a place where everyone in our community can connect and thrive, where you can be, belong and become.

I invite you to join us at the Y if you are not already part of our family. Join us in our mission For A Better Us.

Danny McConnell
President & CEO
Family YMCA of Greater Augusta

Head Start programs provide comprehensive services to enrolled children and their families, which include health, nutrition, social services and other services determined to be necessary by family needs assessments, in addition to education and cognitive development services. Head Start services are designed to be responsive to each child and family's ethnic, cultural and linguistic heritage.

HEALING THROUGH JOY

ANNUAL MEETING TO CELEBRATE CAMPAIGN
CAMP LAKESIDE

In 2019, Camp Lakeside completed construction on two new cabins, an improved wastewater system and a newly-renovated medical facility. The new cabins increase Camp Lakeside's capacity from 60 accessible bed spaces to 180, with an additional 40 bunk spaces in our traditional cabins. Our new Med Shed houses a full-service pharmacy, treatment rooms and residences for a physician and nurses.

With these new improvements, we hosted four medical camps through the Children's Hospital of Georgia in the summer of 2019: Camp Rainbow (children with cancer), Camp Joint Venture (children with juvenile arthritis and related joint disease), Camp Sweet Life (children with diabetes) and Camp Strong Heart (children with cardiac related diagnoses).

Remaining components of development include an adaptive, zero-entry swimming pool with a splash pad, as well as a new 300-seat chapel and paved walkways to ensure ease of access for all developed areas of camp. We strive to enhance Camp Lakeside so we can provide a memorable camp experience for all children, youth and adults.

A Place to Dream

In 2017, we began A Place To Dream to eliminate bedlessness in the CSRA. Through this program, we deliver a bed, sheets, pillow, blanket, stuffed animal, Bible and snacks to children in need.

The program has continued to expand this year with the support of generous donors, partners, area churches, volunteers and Y staff. In 2019, we delivered to new areas, like Jefferson County, and began new partnerships that will help A Place to Dream grow.

2020 will be a year to remember, as we celebrate our milestone 1,000 delivery in January. There are many more children in our area that still need a place to dream. Learn how to volunteer for a bed delivery or donate at www.aplacetodreamaugusta.org.

SUMMER FOOD PROGAM

It is important that children are provided with nutritious, well-balanced meals daily. This becomes a problem for many young people in our community when school is out for the summer. Thanks to the Family YMCA of Greater Augusta's Summer Food Program/Mobile Food Service:

119,000

meals were served at

48

locations across the CSRA

SUMMER ENRICHMENT PROGRAMS

Our camps offer a Summer Enrichment Program which focuses on S.T.E.A.M. (Science, Technology, Engineering, Art and Mathematics) and other activities for campers. STEAM education encourages children to be curious and experiment. STEAM learning focuses on hands-on experiences and creative ways to solve problems. This learning approach is an active process of exploring the world that leads to asking questions, making discoveries, and testing those discoveries in the search for new understanding. It encourages lifelong learning and exploration. Our interactive programming also includes instructor-led dance, karate, archery, team sports and more. Your child will have a memorable summer and make lifelong friendships, while continuing to learn skills over the summer, and learning to be part of a group and team.

Thanks to our generous donors, the Family YMCA of Greater Augusta was able to give away \$2 million in scholarships in 2019. These gifts help us provide financial assistance to children, teens, adults and families in the CSRA who cannot afford the full cost of membership. It allows children to attend camp and participate in youth sports and other programs. **It changes lives.**
