WHAT IS YOUR Y?

In my 40 years of serving the Y, I have learned that the Y means something different for everyone. For some members, it's their favorite place to de-stress after a day at work, for others it's a summer getaway at the lake, and others depend on us for food when school is out of session. The Y stories I hear truly highlight the uniqueness of every member, program participant and community.

In these stories I see the mission of the Y come to life each day. Our mission is the foundation of everything we do, and every story is built on those driving values. Everyone's reason for coming to the Y is different, but we all share a common purpose to serve the CSRA by empowering young people, building healthy communities and inspiring action in our community.

Where there's a need, the Y is there to serve our community. This past year was no different. As our neighbors continued to recover from the COVID-19 pandemic, we provided life-saving resources, unique programs and opportunities to connect with each other. The stories that come from our outreach programs showcase that the Y is more than a gym, and that we are filling critical needs in the CSRA. We served 2,000,000 meals through Cheryl's Kitchen Food Program during the COVID-19 pandemic; have provided more than 1,326 beds through A Place to Dream since 2017; serve 50 children with disabilities every summer during Camp I.V.E.Y.; have supported 180 LIVESTRONG participants; saved lives with our Safety Around Water program; and have provided support to 5,000 individuals with disabilities in our adaptive programs this year.

No matter your reason why, our association prospers because of you, our members, donors, volunteers, partners and staff. Year after year, it is the support from our community that makes more Y stories possible and ensures everyone has a place to connect, thrive, grow and access resources to reach their full potential. Because of you, everyone can have the opportunity to find their Y.

Danny McConnell
President & CEO
Family YMCA of Greater Augusta

YOUR Y IS A FAMILY

For more than 160 years, we have been a pillar in the Central Savannah River Area, providing programs with a purpose for youth development, healthy living and social responsibility. Our presence in the CSRA dates back to 1858, and our mission remains the same: to serve individuals and families in the CSRA through programs designed to build healthy spirit, mind and body, reflecting the values of the Judeo-Christian tradition while maintaining respect for all people.

Family is in our name, and we take that word to heart. Our members, participants, staff and volunteers are part of the Y family. Together, we play an important role in elevating the Greater Augusta region. Our programs support the emotional, physical and spiritual wellbeing of our neighbors. We are essential in developing young leaders, connecting seniors, supporting neighbors in need and providing spaces where anyone in our community is welcome.

Every family is unique, and we celebrate those differences at the Y. Our organization is made up of people of all ages and from every walk of life working side by side to strengthen our community. Together, we work to ensure that everyone has the opportunity to reach their full potential with dignity.

The Family YMCA of Greater Augusta is more than a gym or nonprofit organization – we are a family that cares for and loves the communities we serve. From Aiken to Wrens, Grovetown to Waynesboro, no community would be complete without the Y. We are an essential organization for youth, seniors, families, teens, young adults and individuals with disabilities.

“As a single mom, knowing I have a **safe place to take my kids so I can work on my physical and mental health is huge. I can’t thank the Y enough!”**

– YMCA Member

WITHOUT YOUR Y...

Our community would not be the same without the Y. The history of our organization has been one of adapting to meet community needs and being there for our neighbors when they need us most. When we find out there's a resource our community doesn't have, we step in to fill the void. In a world without the Y, many of the individuals and families we serve would not have access to quality programs or critical resources.

CHILDREN

would go hungry,
wouldn't have a safe place to go after school,
would be sleeping on the floor,
would not be taught water safety,
would never experience camp.

ADULTS

would not have a support program
after cancer diagnosis or treatment.

SENIORS

would miss opportunities to stay active
and engage with others.

TEENS

would not have
a space to learn
healthy habits
and develop
leadership skills.

INDIVIDUALS WITH DISABILITIES

would not have access to the experiences provided by our adapted
programs, including Katie's Pool, Camp IVEY and Miracle League.

CARING HONESTY RESPECT RESPONSIBILITY FAITH

YOUR Y IS A HOME AWAY FROM HOME

For our youngest members, teens and children across South Carolina and Georgia, the Y is a second home. We provide a nurturing, enriching and safe environment for children to grow, learn and play. It's where students hangout with their friends after-school, where families spend summers by the pool, where young athletes find a sport they love and where every child can learn new skills and discover new passions.

We aim to empower young people to lead inspired, successful lives. Our youth development programs nurture the potential of every child and teen. From camp to childcare, these programs enhance each child's unique developmental journey.

YOUR Y IS A COMMUNITY RESOURCE

When there's a need, the Y steps in to serve our neighbors. For parents and individuals that depend on us, the Y is a helping hand. We provide critical programs, services and opportunities across the CSRA so everyone has the resources they need to succeed.

We believe that the Y should be affordable and accessible to everyone who needs us, so we never turn anyone away for inability to pay. Our financial assistance fund gives everyone the opportunity to access YMCA facilities and participate in Y programs. The amount of financial assistance we give has no cap or maximum annual allotment, and every year, the amount we give exceeds the amount we raise in donations.

Our outreach programs are customized and tailored to meet specific challenges at their point of need. We provide meals for the hungry, give beds to children who don't have their own, support cancer survivors in finding support and developing independence, teach life-saving water safety tips and offer spaces where everyone in our community is welcome.

SOCIAL RESPONSIBILITY PROGRAMS IN REVIEW

- **Cheryl's Kitchen Food Program** distributed meals and snacks to children, adults, seniors and families in need through mobile sites and food pantries within YMCA locations.
- With help from community partners, our **A Place to Dream** bed program had small deliveries as needed to give children beds, linens, pillows, Bibles and stuffed animals.
- We continued to provide **Financial Assistance** for YMCA membership and programs so no one was turned away for their inability to pay.
- YMCA staff shared videos on our YouTube page for **Safety Around Water** to provide life-saving water safety information and tips to children and parents.
- Our association participated in **Welcoming Week** to highlight the diversity in our communities and make sure that everyone felt welcomed at the Y.

Hire Me GA was designed to create a more inclusive community that embraces diversity in the workforce and help bridge the gap between employers and job-seekers with disabilities. Several Wilson Family YMCA staff members with disabilities were highlighted by Hire Me GA for their contribution to the Y!

FAMILY YMCA CAMP LAKESIDE

Camp Lakeside hosted the first R.O.C.K. (Remembering Others and Creating Keepsakes) Grief Camp for children who lost a parent or caregiver. Campers experienced typical camp activities, like archery, in addition to therapeutic interventions to help them process emotions. YOUR Y IS A PLACE FOR HEALING

The Family YMCA's Camp Lakeside was developed in 2002 to provide day and residence camps for youth, adults, families and military groups in the Central Savannah River Area (CSRA). For twenty years, Camp Lakeside has been a place of fun, adventure and fellowship for the youth of our community. We continue to expand and renovate to ensure everyone – with or without disabilities or chronic illnesses – has the opportunity to find peace and healing through summer camp.

Healing Through Joy is an initiative of the Family YMCA of Greater Augusta and the Children's Hospital of Georgia to make Camp Lakeside an accessible recreation venue. The first two phases have been complete, and this year we had a renewed focus to secure funding for Phase III, which includes construction of:

- A zero-entry swimming pool (shallow end of the pool is ground level to provide wheelchair access) with shade features, bath house and restroom facilities
- A 300-seat, indoor/outdoor Chapel overlooking the lake
- An accessible treehouse that will feature an indoor education space, wheelchair ramp, accessible restroom facilities and a slide

As we continue to improve Camp Lakeside, we will be able to offer more unique experiences and therapeutic activities for children with disabilities and chronic illnesses. It's our vision that everyone will be able to find joy at Family YMCA's Camp Lakeside.

YOUR Y IS FOREVER

Given the opportunity, most of us would like to leave a legacy that gives meaning to what we valued over our lifetime. Imagine the satisfaction of knowing that because of your generosity and planning, children and families will be able to take part in the Family YMCA of Greater Augusta for years to come.

Just as we strengthen our minds and bodies today, the Y is strengthening our organization for tomorrow. As a nonprofit, charitable organization committed to being physically and financially accessible to everyone, the Y's Endowment Fund is critical to ensuring that the work of the YMCA continues with children and families in our next generation.

The Heritage Club celebrates those who have chosen to make a lasting impact on the Y and our communities by making or planning future gifts to our Endowment Fund. These gifts are crucial for us to meet the future needs of the CSRA – whether that be through increasing financial assistance or supporting our outreach programs like A Place to Dream.

Gifts to the Endowment Fund generate interest income to support YMCA scholarships, programs and facilities, while the original donation is maintained intact.

Thanks to your generous donations, the Family YMCA of Greater Augusta is able to award \$2 million in scholarships every year. Your gift helps the Y provide financial assistance to children, teens, adults and families in the CSRA who cannot afford the full cost of membership or programs. Donations also support our Signature Programs like Cheryl's Kitchen, LIVESTRONG® and A Place To Dream which provide much-needed resources to individuals and families across the Greater Augusta area.

Your gift changes lives.
