One thing that has always been clear to me is that the Y is not just a gym. Our mission goes beyond being a place to exercise and our membership means more. While members work out, we work every day to build brighter futures for youth, improve health and wellness, and demand equity for all. Our buildings and programs are only a small part of what the Y is.

Every day, we work to strengthen the community. From providing vital community resources to nurturing young people, our Y plays an essential role in meeting the needs of the Greater Augusta area. We are an organization that is, and has always been, about caring for others and building up the community.

This year, we worked extensively to ensure our Y is positioned for the future and continuing to meet our community's pressing needs through the development of our Strategic Plan. We met with government officials, community leaders and prominent business owners to get perspective on what the needs in our region are and see how the Y can help meet those challenges. I look forward to finalizing the Strategic Plan in 2023 and working together to build our community up.

At the end of 2022, I challenged the Y's staff and volunteers to be outward centered – to focus on loving people more than themselves. People are at the heart of our organization, and it's those people that lead our movement forward. Everything we do goes beyond doing something good for ourselves. The Y's members, volunteers, donors, staff and advocates are all contributing to the greater good and it's because of them that a YMCA gym membership will always mean more.

Danny McConnell
President & CEO
Family YMCA of Greater Augusta

OUR MISSION

To serve individuals and families with programs designed to build healthy spirit, mind and body, reflecting the values of the Judeo-Christian tradition while maintaining respect for all people.

STRENGTHENING COMMUNITIES

Membership means more at the Y because we are more than treadmills and lap lanes. For 164 years, the Y has dedicated itself to transforming lives, for both members and underserved populations. Whether they're inside branches, or out in the neighborhoods, YMCA staff and programs move every community we serve toward being their best.

At the Y, membership means more because every time someone new walks through our doors, they become part of a caring community that nurtures children of all backgrounds, provides access to healthy choices for those struggling to make ends meet and connects anyone in need to programs and services that change the trajectory of their lives. Our members build more than muscle. They build stronger bodies, minds and communities every day.

Our Ys work in strengthening communities goes beyond our 42,000 members. Across the 8 counties we serve, we work diligently to be there for everyone who needs us. The Family YMCA of Greater Augusta is so much more than a gym. We have an active role in elevating our community and ensuring everyone has the opportunity to reach their full potential with dignity.

BEYOND OUR WALLS

Through our Signature Outreach Programs, we provide critical resources to neighbors in need. These programs are tailored to meet specific challenges in our communities. They enrich the lives of the people who live in the Greater Augusta region and give opportunities to underserved areas of the population. Our annual fundraising campaign helps build the resources we need to provide these vital programs.

A PLACE TO DREAM

Our bed program, A Place to Dream, provides beds, linens, Bibles and stuffed animals to children with unfavorable sleeping arrangements. We believe that getting a good night's sleep will create a ripple effect in their lives and community. Since 2017, we have provided 1,500 beds to kids across the CSRA.

KATIE'S POOL

The Kathryn M. York Adapted Aquatics Center, or "Katie's Pool," at the Wilson Family YMCA is a state-of-the-art aquatic therapy pool. The pool features a zero-entry, 42-foot wheelchair ramp and a UV sanitation system. Katie's Pool programs work to improve the quality of life for individuals with physical and/or developmental disabilities, including adapted personal training and open rehab.

SAFETY AROUND WATER (SAW)

The Safety Around Water (S.A.W.) program teaches children life-saving water safety skills at no cost. Through a combination of land and water activities, the program helps children feel comfortable in water and teaches important skills that reduce the risk of drowning.

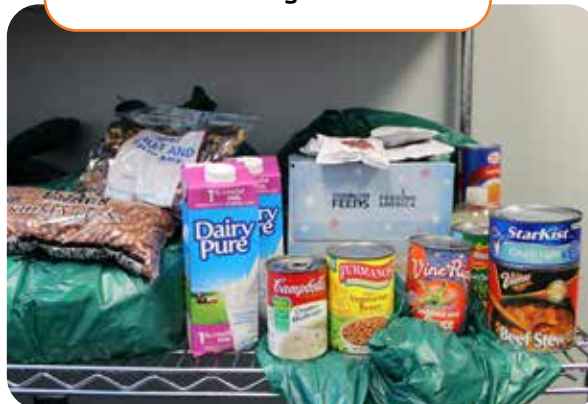

CAMP IVEY

Camp IVEY is the Y's overnight summer camp for children and teens with developmental delays and disabilities. The camp promotes independence by providing these children with an authentic camp experience at the YMCA's accessible camp property, Camp Lakeside.

CHERYL'S KITCHEN

The Family Y is on a mission to ensure no one in our community goes hungry. Cheryl's Kitchen Food Program distributes meals to children and individuals in need through summer meal sites and year-round food pantries within YMCA locations. Since March 2020, we have distributed more than 3 million meals throughout the CSRA.

LIVESTRONG®

LIVESTRONG at the YMCA helps adult cancer survivors reclaim their health and well-being. We provide a welcoming community in which survivors can improve their strength and physical fitness, diminish the severity of therapy side effects, develop supportive relationships and improve their quality of life.

The Y steps up to impact children and teens in ways no other organization can. We set youth up for success by providing them with the tools they need to develop into competent, confident and compassionate adults. Through our values-based programs, we empower each child to become their best self.

Our youth development programs give children opportunities to grow their social, emotional, academic and physical skills. We work side-by-side with parents and communities to identify development gaps and fill needs for the CSRA's youth. But the Y's programs don't just close the gaps – they help kids find passions, make friends and have new, fun experiences.

We believe all kids deserve the opportunity to discover who they are and what they can achieve. That's why, through the Y, youth are cultivating the values, skills and relationships that lead to positive behaviors, better health and education achievement.

Because we know that healthy lifestyles are achieved through nurturing spirit, mind and body, well-being and fitness at the Y goes beyond just working out. In addition to fitness facilities, we offer a variety of programs that support physical, intellectual and spiritual strength, from group exercise classes to our chapels and chaplains. At every age and every level of activity, you'll find people just like you looking to live a little bit healthier.

At the Y, it's not about the activity you choose as much as it is about the benefits of living healthier on the inside as well as the outside. Our healthy living programs, and everything else the Y does, are in service of making us – our members and communities – better.

The Y exists to bring real change to issues affecting our neighbors. We work to strengthen the foundations of our community by ensuring that everyone has access to the resources they need to transform their lives and communities for the better.

Our outreach programs are unique because they are customized to fill the needs of our local area. When a challenge arises for our neighbors, the Y is there to help. We provide meals for the hungry, give beds to children who don't have their own, teach life-saving water safety skills and offer spaces where everyone in our community is welcome. Through our financial assistance program, we give everyone the opportunity to access YMCA facilities and participate in Y programs.

We know that positive change only comes when we work as one. That's why we are committed to providing support to our neighbors and inspiring everyone to give, join in or advocate in the name of stronger communities.

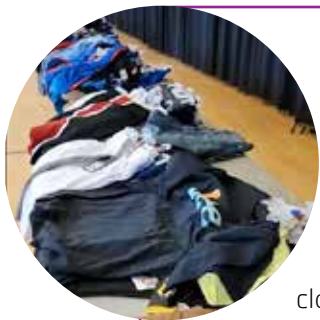

FOR SOCIAL RESPONSIBILITY ACROSS THE ASSOCIATION

HEALING THROUGH JOY

The Family YMCA's Camp Lakeside was developed in 2002 to provide day and overnight camps for youth, adults, families and community groups in our region. Through our Healing Through Joy campaign, we continue to expand and renovate Camp Lakeside to ensure everyone – with or without disabilities or chronic illnesses – has the opportunity to find peace and healing through summer camp.

In 2022, we reached our fundraising goal for the next two additions at Camp Lakeside: a zero-entry swimming pool and a 300-seat, indoor/outdoor Chapel. These new amenities take us one step closer to being a fully accessible camp facility for children with disabilities and chronic illness, and allow us to offer more unique experiences for everyone who visits camp.

It's our vision that everyone will be able to find joy at Family YMCA's Camp Lakeside. With help from our partners, generous donors and the Children's Hospital of Georgia, this vision is closer to reality. We are looking forward to the grand opening of the next phase of Camp Lakeside in 2023!

LEAVE A LEGACY

Just as we strengthen our minds and bodies today, the Y is strengthening our organization for tomorrow. As a nonprofit, charitable organization committed to being physically and financially accessible to everyone, the Y's Endowment Fund is critical to ensuring that the work of the YMCA continues with children and families in our next generation. The Heritage Club celebrates those who have chosen to make a lasting impact on the Y and our communities by making or planning future gifts to our Endowment Fund. These gifts are crucial for us to meet the future needs of the CSRA.

The Y worked hard in 2022 to strengthen the Endowment Fund. Each of our YMCA Board of Directors identified an Endowment Champion to seek out possible donors and share our legacy giving options. Through the work of these champions, our Endowment Fund is nearing the \$1 million mark, which will allow us to use the accumulated interest to fund key programs:

- **A PLACE TO DREAM** - Since the start of the program, the YMCA has been overwhelmed with the large number of requests for beds. The Y's ability to provide more beds is directly affected by the ability to find funding partners to support the project.
- **SAFETY AROUND WATER** - The YMCA is the number one provider of aquatic safety training. Every kid in the community should have the opportunity to know how to be safe in the water.
- **CAMP LAKESIDE** - The YMCA has a great reputation and years of experience in overnight camping, but many kids cannot afford this program or have a disability or illness that prevents them from having this opportunity.
- **CHERYL'S KITCHEN FOOD PROGRAM** - The Y's food program has expanded from summer meals to a year-round program. However, the need continues to grow. The restriction to provide more meals is directly tied into the ability to find funding to do so.
- **FAMILY Y SCHOLARSHIPS** - One of the YMCA's core principles is that families are never turned away because of inability to pay. The Y works with families to provide an acceptable scholarship that will allow them to participate. Funds are raised in the community to help fund these scholarships.
- **HEALTH AND WELLNESS** - Whether it's childcare, youth sports programs, group exercise or adaptive land and water rehabilitation therapy, our Family Ys are uniquely qualified to enhance the health and wellness of the members of our Greater Augusta community. A gift to the Endowment Fund will help ensure that this tradition of service will continue.

Thanks to your generous donations,
the Family YMCA of Greater
Augusta is able to award \$2 million
in scholarships every year. Your
gift helps the Y provide financial
assistance to children, teens, adults
and families in the CSRA who cannot
afford the full cost of membership or
programs. Donations also support
our Signature Programs like Cheryl's
Kitchen, LIVESTRONG® and A Place
To Dream which provide much-needed
resources to individuals and families
across the Greater Augusta area.
Your gift changes lives.
