

A PLACE TO DREAM Team Recruitment Form

We are launching a new recruitment effort to grow our volunteer base for our A Place to Dream program due to the ever-increasing requests for children's beds. Deliveries are scheduled monthly, and we hope your team could participate in a couple throughout the year. We need Team Captains that would form a team of 3-4 members per delivery. The Team Captain will be the point of contact for the Y when deliveries are scheduled and would coordinate with their team on the day and time of delivery, pick up beds from the Family Y and deliver/setup with the family. The day and time of delivery will be coordinated by the Family Y.
