

WHERE CHILDREN SHINE

YMCA Child Development Academy

We strive to create and maintain a warm, loving and stimulating environment where any child will feel welcome. We are licensed by the State of Georgia and Bright From The Start, and uphold the excellent standards of the YMCA. The Child Development Academy is a 3-star quality rated facility.

OUR APPROACH

We believe that children learn from "real life" experiences and activities and that this occurs through daily play, conversation, shared experiences and interaction on both adult-child and child-child levels. The focus is toward helping children develop a sense of independence, responsibility and to help them learn the socialization skills necessary for success in life.

CURRICULUM

Our staff provides the educational foundation and faith-based curriculum that young children benefit from. The 4K Program focuses on school readiness with a balance of teacher-led and student-led learning opportunities.

JOIN THE WAITLIST
