PROCEEDS BENEFIT A PLACE TO DREAM

By supporting the Augusta Duck Dash on October 4, 2025, you are supporting the Family YMCA's "A Place to Dream" program. Since 2017, the Family YMCA of Greater Augusta has provided 2,050+ beds to children in need. In partnership with News 12 NBC 26 and Wellstar MCG Health, the Family Y also provides pack-n-plays to families in need with infants.

Join us for a FREE Fall Festival and watch as we release thousands of rubber ducks into the Augusta Canal to watch them race for incredible prizes! It's a seriously fun event with a seriously important goal: ensure children have a safe place to sleep at night.
