NEW SPACE, SAME HEART

After 17 years in our current building, the North Augusta Family YMCA has outgrown the space, and the needs of our community continue to grow with us.

This move is grounded in your continued support, our community's evolving needs and a shared vision for the future. Our new facility in North Augusta doubles our current square footage, giving us the room to grow alongside the people we serve.

Located near areas of growth and new development, the new space strengthens our ability to deliver high-quality programs and services. Our child care programs will finally have a permanent, on-site home, no longer relying on borrowed community spaces. Every program has room to expand and evolve. And because we now own our building, we're creating long-term stability and opening the door to future opportunities.

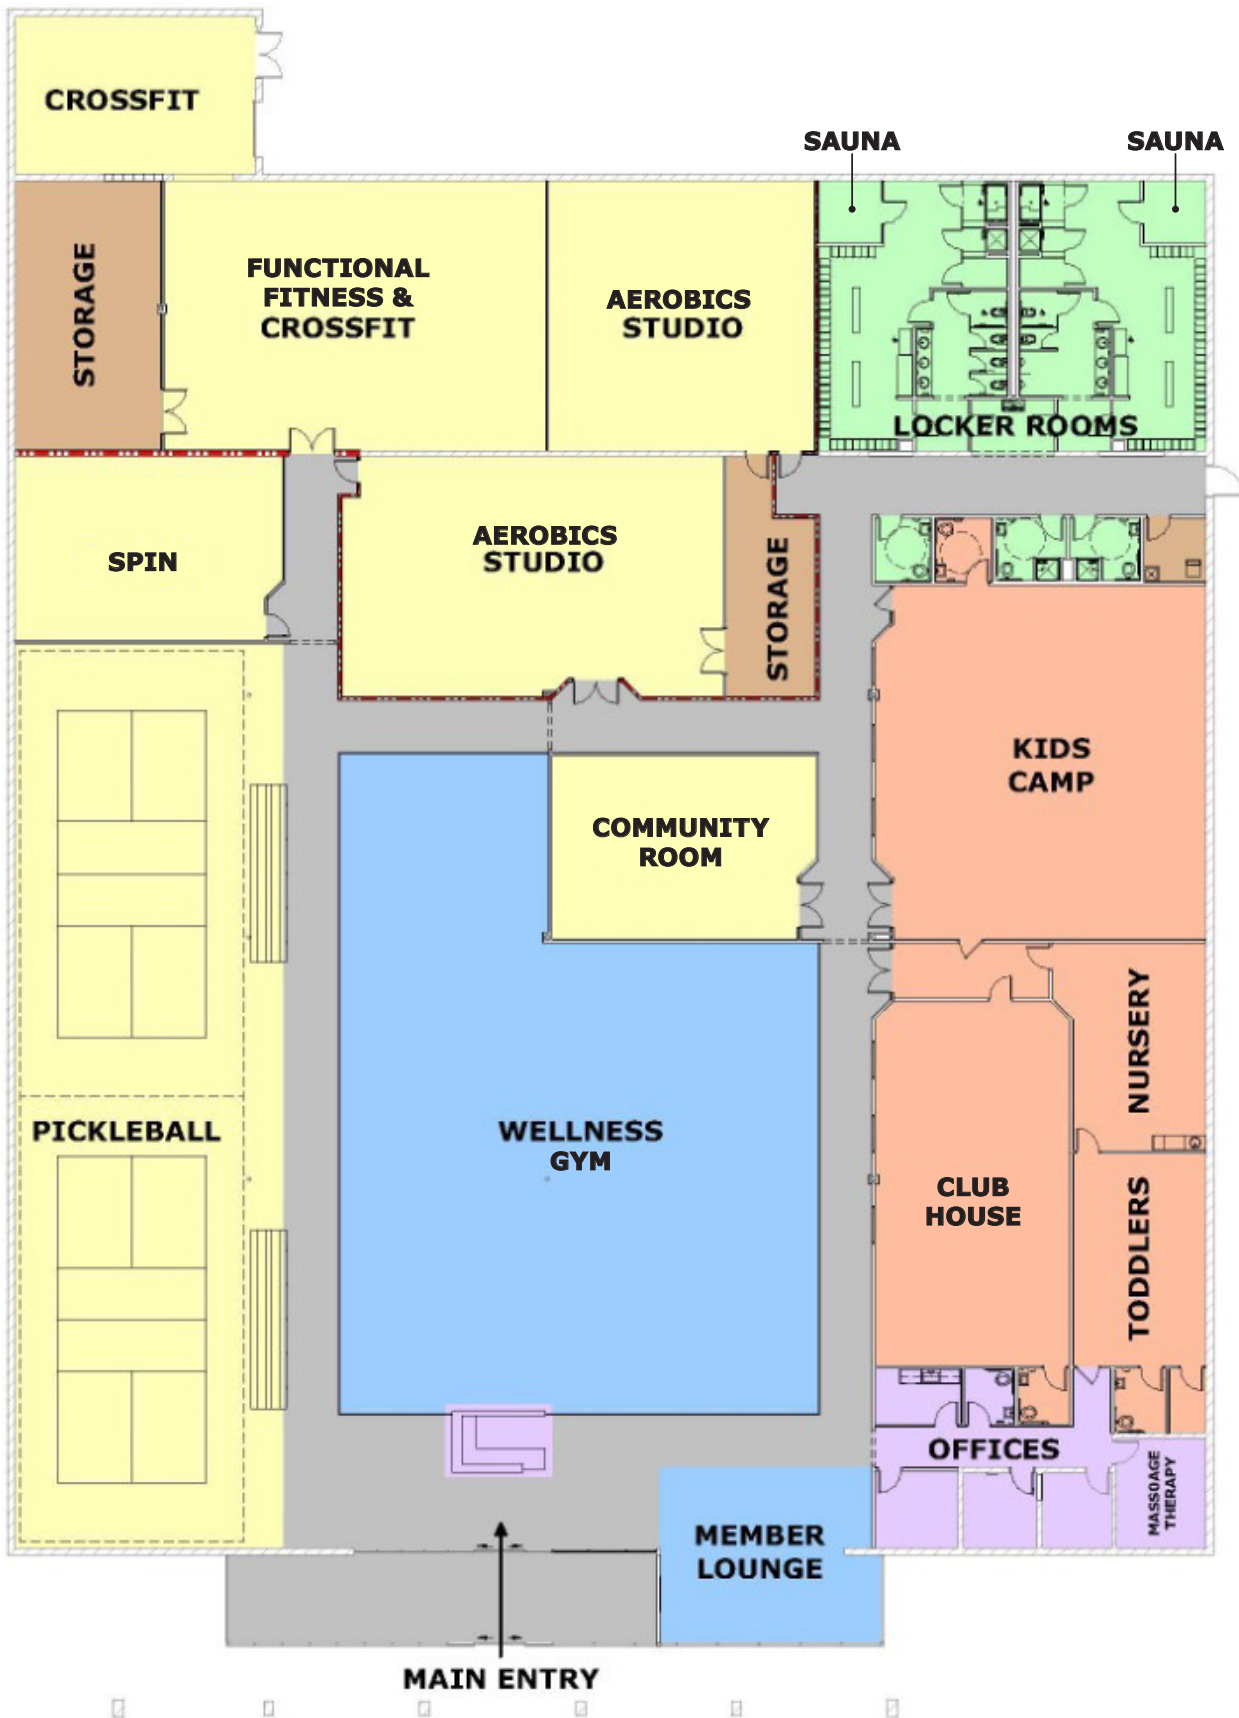

While our building is changing, our heart isn't. The same welcoming spirit, committed staff and inclusive mission will continue to guide everything we do – just with more space to help our community thrive.

OUR MISSION

is to serve individuals and families in the CSRA through programs designed to build healthy spirit, mind and body, reflecting the values of the Judeo-Christian tradition while maintaining respect for all people.

A PLACE FOR ALL TO GROW

WHAT TO EXPECT

Our new, expanded facility is designed with you in mind. Over the past few years, we've listened to your feedback and prioritized the features that matter most to our members. This new space brings meaningful upgrades and brand-new amenities — but none of it is possible without a successful fundraising campaign. Your support turns ideas into impact, and space into opportunity.

IMPROVEMENTS:

- Larger wellness floor for strength and cardio workouts
- Three spacious group exercise studios, including a dedicated spin studio
- Expanded Crossfit Box, now twice the size of our current space
- Double-sized childcare space, plus on-site summer camp and after-school programming
- Additional private family locker rooms

NEW AMENITIES

- 2 Indoor Pickleball Courts
- Sauna for post-workout recovery and relaxation
- EGYM Smart Circuit
- New state-of-the-art fitness equipment
- Comfortable Member Lounge for connection
- Dedicated Massage Therapy Room
- Convenient Micro Market for healthy snacks and drinks
- Community Room for events and gatherings

GROW WITH US

Your gift matters.

Help us reach our goal of \$2,600,000. Every donation brings us closer to a stronger, more inclusive YMCA. Your support helps build the foundation for today's improvements and tomorrow's possibilities.

You can give a one-time or recurring donation in any amount. Capital gifts can be paid over five years.

To donate, please fill out the campaign donation form
and return to:

Family YMCA of Greater Augusta
1058 Claussen Road, Augusta GA, 30907

NAMING OPPORTUNITIES

Naming opportunities allow donors to leave their mark on our facility while investing in a stronger, healthier North Augusta. Whether honoring a loved one, promoting a business or simply giving back to the community, each named space is a visible reminder of your commitment to helping all people thrive – spirit, mind and body.

Every named gift affirms your leadership
and love for North Augusta's future.

RIPPLES OF GROWTH

A pool has long been one of the most requested additions from our members — and we agree. An aquatics center would allow us to offer swim lessons, water fitness, family swim time and essential water safety programs for all ages.

We're excited to share that a pool is part of our vision, but **we need community support to make it a reality**. Right now, our focus is on completing and fully funding the building and its core amenities. Once this is achieved, we'll be ready to turn our attention to the pool, and begin fundraising to bring it to life.

Join the Movement. Shape the Future.
