

# WHERE CHILDREN SHINE

## YMCA Child Development Academy

We strive to create and maintain a warm, loving and stimulating environment where any child will feel welcome. We are licensed by the State of Georgia and Bright From The Start, and uphold the excellent standards of the YMCA. The Child Development Academy is a 2-star quality rated facility.

### OUR APPROACH

We believe that children learn from "real life" experiences and activities and that this occurs through daily play, conversation, shared experiences and interaction on both adult-child and child-child levels. The focus is toward helping children develop a sense of independence, responsibility and to help them learn the socialization skills necessary for success in life.

### CURRICULUM

Our staff provides the educational foundation and faith-based curriculum that young children benefit from. We incorporate the five science-based principles of The Basics into all of our classrooms.

### EXTENDED CARE

Extended care is available from 6pm-8pm for an additional fee. Extended care is \$135/week or \$30/day. Parents must notify the director by noon any day that extended care is needed.
