FROM THE CEO

The YMCA has been a steady light for communities across our nation for 175 years. In the CSRA, that light continues to shine through the lives we touch each day in our facilities, in our camps and in the partnerships that strengthen our reach.

As I reflect on my first year as CEO of the Family YMCA of Greater Augusta, I am filled with gratitude and optimism. This past year has been one of momentum and intentional growth. Each program, each partnership and each act of generosity have moved our organization forward.

One of the most exciting milestones ahead is the continued growth of the North Augusta Family YMCA. With a new facility opening in 2026, we are preparing to serve even more members with excellence and innovation. We aren't just moving the facility; we are making a long-term investment into the health, connection and vitality of the North Augusta community.

At the same time, our impact extends far beyond our walls. Through partnerships with healthcare providers, community organizations, schools and faith leaders, we are meeting needs in meaningful ways. These collaborations allow us to respond with both compassion and strength, ensuring that support reaches those who need it most.

The future before us is bright. Not because of any one program or initiative, but because of the people who make this work possible. Our staff, volunteers, donors and community partners embody the spirit of the Y every day. Together, we are not only meeting today's needs, but building a foundation for tomorrow.

Thank you for being part of this mission. As we look ahead, we remain committed to serving as a steady light - guiding our community forward and Lighting the Way for All.

**“Let your light shine
before others, that they
may see your good deeds
and glorify your Father
in heaven.”
MATTHEW 5:16**

Catie McCauley
President & CEO
Family YMCA of Greater Augusta

OUR STORY

A LIGHT IN THE COMMUNITY

From a flicker to a beacon, the Family YMCA of Greater Augusta has been a steady light in the CSRA over the past 168 years. What began as a small spark of service now stands as a guiding presence in the lives of individuals and families across our community.

Through seasons of change and times of growth, we have remained rooted in one purpose: to strengthen our community.

Strengthening communities has always been our guiding light. It reflects our unwavering commitment to show up, to stand alongside our neighbors and to create opportunities where everyone can belong and thrive.

And it starts with what we believe: when people are given opportunity, encouragement and a place to belong, they shine. We see it every day in the laughter echoing through our childcare rooms, in the determination on the basketball court, in the quiet confidence of a senior reaching a new wellness goal and in the volunteers who show up ready to make a difference.

At the YMCA, Lighting the Way for All means ensuring that every child can discover their potential, every adult can pursue healthier living and every family can find connection and hope. It means removing barriers so the light within each of us has room to grow.

As you turn these pages, you'll see the many ways our Y continues to shine through youth development, healthy living and social responsibility. Each story, each number and each life touched reflects a shared desire to be a light for one another. Because when we shine together, our entire community grows brighter.

ON THE HORIZON

In 2026, the YMCA of the USA will celebrate 175 years of strengthening communities across the nation. As we enter this milestone year, we are reminded that the work we do today is built on generations of service, leadership and faith in action.

Since the first YMCA was founded in Boston in 1851, the Y has brought people from all walks of life together in pursuit of a stronger, healthier future. From welcoming newcomers to the United States, to providing housing in rural communities, to inventing the game of basketball and teaching generations to swim, the YMCA has adapted to meet the needs of the moment.

That same spirit took root here in the CSRA 168 years ago and has grown into a trusted presence for families across our region. We have expanded alongside this community, responding to its needs and strengthening it in return. We have created spaces where children build confidence, adults pursue healthier lives and communities come together with purpose.

As we step into this 175th year, we honor the legacy that brought us here and embrace the opportunities ahead. The work continues in our branches, in our camps and in the lives of those we serve every day.

We remain committed to lighting the way for all.

LIGHTING THE WAY TO BRIGHTER FUTURES

At the Y, every child's journey is guided by opportunity. Our youth programs build a strong foundation for developing essential life skills, exploring new interests and forming lasting friendships. Each program reflects the unique needs of the families we serve by meeting children where they are and helping them grow into who they are meant to become.

For some families, that means a single parent relying on our afterschool program to provide a safe and supportive environment at the end of the school day. For others, it's a child discovering a new passion on the field or in the pool, or a young person gaining confidence through leadership opportunities and teamwork.

We are committed to ensuring that every family has access to these transformative experiences. Thanks to generous donors and community support, our financial assistance program removes barriers, opens doors and creates pathways to opportunity for all.

 **Together, we are building the foundation for confident kids, strong families and a thriving community.**

Youth Development Across the Association

Across our association, youth development begins with a simple belief: every child deserves the opportunity to grow, to belong and to discover their potential.

For our youngest learners, that journey starts early. At our **Child Development Academy**, infants through four-year-olds are nurtured in safe, structured environments that spark curiosity and build confidence. With Piedmont Augusta serving as the CDA's exclusive healthcare sponsor, we are able to deliver high-quality care to the families who rely on us each day. First friendships are formed, first letters are traced and first steps toward independence are celebrated - laying the foundation for a lifetime of learning.

As children grow, so do the opportunities around them. When the school bell rings each afternoon, our Prime Time Afterschool Program provides care and consistency. Students receive academic support, enrichment and encouragement from mentors who know their names and believe in their futures.

That encouragement carries onto the field. At the **Aiken County Family YMCA**, youth soccer teaches far more than how to pass or score. It builds resilience, teamwork and confidence. Every practice and every game reinforces perseverance and character, lessons that last well beyond the season.

In Thomson, those values took shape in a new way. In the fall of 2025, the **Thomson Family YMCA** launched the Bus Buddies Football League (BBFL). What began as a small enrichment activity for students in the Bus Buddies afterschool program quickly expanded to four teams, complete with jerseys and a championship bowl. Through BBFL, students strengthen their physical health while practicing the Y's core values of caring, responsibility, respect, honesty and faith.

When summer arrives, new adventures begin. At the **Barnwell County Family YMCA**, Summer Day Camp gives children the freedom to explore, build friendships and try something new. Campers return home each day with greater confidence and a stronger sense of belonging.

From early learning to afterschool programs, from soccer fields to summer camp and new leagues like BBFL, the YMCA walks alongside young people at every stage of their growth.

Because when children are supported today, brighter futures are strengthened for our entire community tomorrow.

LIGHTING THE WAY TO LIFELONG WELLNESS

Healthy living at the Y goes beyond physical fitness. It is a lifelong commitment to total well-being by strengthening the body, nurturing the mind and supporting the spirit.

Every day, individuals of all ages choose the Y as a place to invest in their health. From seniors building strength and maintaining independence, to busy parents carving out time to manage stress and restore balance, our wellness programs meet people where they are and help them move forward with confidence. Through partnerships with local employers, our corporate membership program makes wellness more accessible by offering discounted memberships that encourage healthy habits inside and outside the workplace.

Wellness is not defined by a single workout or milestone. It is built through consistency, encouragement and community. In group exercise classes, on the wellness floor and in adaptive programs for individuals of all abilities, members find accountability, connection and support.

At the YMCA, lifelong wellness means creating spaces where healthy habits can take root and thrive.

 **Together, we are lighting the way to stronger bodies, clearer minds and healthier communities.**

Healthy Living *Across the Association*

Wellness takes many forms across our association, and it's always in motion.

At the **Augusta South Family YMCA**, that motion is measured in strength. Every year, the branch hosts powerlifting meets that draw competitors from a wide range of ages and weight classes. The atmosphere is electric, fueled by determination and encouragement as lifters step onto the platform to test their limits. Each meet not only celebrates discipline and determination, but also supports the YMCA's Annual Campaign, reinforcing that personal strength can help strengthen an entire community.

In October 2025, the **Steiner Branch YMCA** turned movement into celebration with its first-ever Trot or Treat 5K and Kids Fun Run. Runners and walkers of all ages filled the course. For some, it was their first race. For others, it was a family tradition in the making. Together, they demonstrated that healthy living thrives when it is shared.

At the **North Augusta Family YMCA**, that shared energy fills the group exercise studios every day. From early morning workouts to evening RPM rides, members push, pace and encourage one another through every class. The sense of accountability and connection keeps participants coming back, building healthy habits that last. With a new facility opening in 2026 - featuring expanded, double-sized group exercise studios - even more members will have space to move, grow and challenge themselves together.

Across our association, healthy living programs empower individuals at every stage of life. Whether building strength, improving endurance, managing stress or simply finding a welcoming place to belong, members discover that wellness is not a destination - it's a lifelong journey.

When a community moves together, it grows stronger together.

LIGHTING THE WAY TO STRONGER COMMUNITIES

Social responsibility at the Y means stepping forward when our community needs us most. It means building partnerships, responding with compassion and creating opportunities that strengthen lives.

Across our association, that commitment is lived out through programs like Cheryl's Kitchen Food Program, which provides nourishment and dignity to families facing food insecurity; A Place to Dream, which gives security and comfort to children and teens; and our financial assistance program, which ensures that cost is never a barrier to participation.

These efforts adapt to meet the evolving needs of the CSRA, guided by the belief that everyone deserves access to support, connection and hope. Volunteers, donors and partners make this work possible by offering their time, resources and hearts to strengthen the community we share.

When we serve together, the impact reaches far beyond a single program. It strengthens families, deepens connections and creates a stronger foundation for everyone.

Together, we are expanding opportunity, fostering belonging and building stronger communities for all.

Impact By The Numbers

Social Responsibility *Across the Association*

Strong communities are built when people show up for one another.

At the **Wilson Family YMCA**, that commitment begins with inclusion. Through adaptive programs like Exceptional Sports, Katie's Pool and the Total Access Gym, individuals of all abilities are welcomed into spaces designed with intention and care. These programs remove barriers and expand access, ensuring that everyone has the opportunity to build confidence, improve health and experience belonging.

At **YMCA Camp Lakeside**, partnership deepens that impact. Through collaboration with Wellstar Children's Hospital of Georgia, Camp Lakeside hosts specialized medical camps every summer that provide children with unique health needs the chance to experience the joy and independence of camp in a safe and supportive environment. Families find reassurance. Children find freedom. And together, they discover that community extends far beyond a diagnosis.

In Jefferson County, the **North Jefferson Family YMCA** partnered with the CAGS Program at Fort Gordon to provide full Thanksgiving meal kits to families in need. What began as a shared desire to serve resulted in tangible support for neighbors in Wrens and the surrounding area. The effort demonstrated how collaboration can meet immediate needs while strengthening long-term relationships.

Connection is also at the heart of the **Burke County YMCA's** Pastor Breakfast. By bringing together faith leaders from across the community, the Y fosters dialogue, partnership and shared purpose. These gatherings deepen trust and create new pathways to serve families more effectively.

Our commitment to strengthening communities shines through inclusive spaces, trusted partnerships and neighbors caring for neighbors - illuminating what is possible when we come together.

A steady light in action builds connection, resilience and hope for all.

MOMENTS THAT SHINED

In April, the Wilson Family YMCA launched EGYM, a smart strength-training circuit that personalizes workouts and tracks progress in real time. By combining innovation with accessibility, EGYM helps members build strength safely and effectively. Since its launch, more than 2,100 members have been onboarded!

On June 7, we celebrated the 15th anniversary of Katie's Pool, a space thoughtfully designed to serve individuals of all abilities. For 15 years, Katie's Pool has been a place of healing, hope and transformation, where therapy meets encouragement and progress is measured in both milestones and smiles. We look forward to many more years of impact, inclusion and triumph.

GEORGIA ACCESS

This year, we strengthened our partnership with the Georgia Alliance of YMCAs and Georgia Access to promote affordable health insurance for families across our region. Open enrollment is every November. Georgians can visit [GEORGIAACCESS.GOV](https://www.georgiaaccess.gov) to explore options and review resources.

GET INFORMED Make confident choices, whether you're enrolling for the first time or coming back.

GET COVERED With a range of health insurance options, you can choose what best fits your needs, so you can focus on your health and loved ones.

In June, we celebrated 10 years of Camp I.V.E.Y. (Inspiring Very Exceptional Youth). Founded to serve young people with developmental disabilities and delays, Camp I.V.E.Y. has grown from a short day camp into a weeklong overnight experience rooted in confidence, independence and belonging. For a decade, it has provided campers the opportunity to thrive in a environment designed just for them.

In August, our Y on the Fly and A Place to Dream programs received the Most Innovative Program Awards at the Prevention and Community Support (PCS) Awards, a division of the Georgia Department of Human Services. This recognition highlights the strength of our community partnerships and the impact of innovative outreach – meeting families where they are and expanding access to opportunity and support beyond our walls.

HONORING DONELL'S LIGHT

This past year, our YMCA family experienced a profound loss with the passing of Donell, a beloved team member whose presence was felt across every branch of our association.

Through Cheryl's Kitchen Food Program, Donell helped ensure meals reached families who needed them most. He was a familiar face in our facilities, always willing to lend a hand and step in wherever help was needed. Beyond his role, he volunteered with youth soccer at the Aiken County Family YMCA, encouraging young athletes and investing in the next generation with quiet dedication.

Donell's life was a steady light within our YMCA, seen in acts of service, kindness and commitment. As we continue our work, we carry forward the example he set: to show up for one another and to serve with a smile, just as he did every day.

LIGHTING THE WAY FOR GENERATIONS TO COME

Just as we strengthen our minds and bodies today, the Y is strengthening our organization for tomorrow. As a nonprofit, charitable organization committed to being physically and financially accessible to everyone, the Y's Endowment Fund is critical to ensuring that the work of the YMCA continues with children and families in our next generation. The Heritage Club celebrates those who have chosen to make a lasting impact on the Y and our communities by making or planning future gifts to our Endowment Fund. These gifts are crucial for us to meet the future needs of the CSRA.

Endowment gifts generate interest income to support YMCA scholarships, programs and facilities, while the original donation is maintained intact. Beyond assuring the continuation of the Y's work, endowment giving can benefit donors with tax and estate-planning advantages. If you have a specific interest area at the Y, your tax-deductible gift can be designated to that purpose.

The accumulated interest funds key programs:

- A PLACE TO DREAM
- SAFETY AROUND WATER
- CAMP LAKESIDE
- CHERYL'S KITCHEN FOOD PROGRAM
- FAMILY Y SCHOLARSHIPS
- HEALTH AND WELLNESS

NAMED ENDOWMENTS

With a \$50,000 gift, a donor can establish a named endowment that carries on their legacy for years to come. Named endowment funds can be designated for specific key programs, and they allow others the opportunity to build on the donor's legacy.

ASSOCIATION-WIDE ENDOWMENTS

Bill and Diane Stanton Endowment: This fund supports the YMCA's A Place to Dream bed program.

McConnell Family Endowment: This fund was established by the McConnell family to honor longtime CEO Danny McConnell and continue his legacy with the YMCA. Earnings support the endowment general fund.

CAMP LAKESIDE ENDOWMENT

DeFoor Family Endowment: This fund supports YMCA Camp Lakeside.

CELEBRATING THOSE WHO SHINE

The Family YMCA of Greater Augusta presents annual awards to honor special volunteers and staff who are exemplary in giving their time and talents to ensure the success of our organization.

Thanks to your generous donations, the Family YMCA of Greater Augusta is able to award \$2 million in scholarships every year. Your gift helps the Y provide financial assistance to children, teens, adults and families in the CSRA who cannot afford the full cost of membership or programs. Donations also support our Signature Programs like Cheryl's Kitchen, LIVESTRONG® and A Place To Dream which provide much-needed resources to individuals and families across the Greater Augusta area.

YOUR GIFT CHANGES LIVES.
